# MARTIAL ARTS CHANGES LIVES.

## INSPIRED FIRST. NOT BORN, BUT MADE.

With fortitude and humility, martial artists break away habit, weakness, and certainty, until all that remains is unrecognizable. A new form. One stronger and dedicated to its craft. Then, out of force of will, the process begins again in the neverending cycle of improvement. That is what it means to be a martial artist. That is what it means to exist to inspire.

When you have inspired yourself, others will be inspired by your actions.

And we are inspired. At Century, since our very inception, we have always been inspired by the world of martial arts. The dedication and perseverance. We are honored to be connected to this process of continuous improvement. We are humbled and inspired always to push boundaries and look forward. To take command of our contribution and accept nothing but excellence from ourselves.

**WE EXIST TO INSPIRE.**
